GOLF RULES

General Golf Rules

1. The rules of golf of the United States Golf Association ("U.S.G.A.") together with the Rules of Etiquette as adopted by the U.S.G.A. shall be the rules of the Club, except when in conflict with local rules.
2. Please review the Calendar of Events and Club activities board for outings, fund-raising events, outside tournaments and times when use of the golf course will be restricted.
3. All players must register in the Golf Shop before beginning play.
4. All players, especially children and beginning golfers, are expected to learn and observe the fundamentals of golf etiquette.
5. "Cutting-in" is not permitted at any time. All play shall start at #1 tee unless otherwise directed by the Golf Shop personnel. All players must check in with the Pro Shop. Under no circumstances are players permitted to start play from residences.
6. Practice is not allowed on the golf course. The practice facilities must be used for all practice.
7. Foursomes should complete an eighteen-hole round in four (4) hours and thirty (30) minutes. If a foursome or other group of players is unable to maintain adequate speed of play and fails to keep their place on the course, they must allow the following group to play through. Golf Marshall's have the authority to stop a slow playing group to allow the following groups to play through or to require the slow playing group to pick up their balls and move forward to catch up with the next group. Please keep up with the group ahead of you.
8. Continued slow play by players will be noted and the golf staff will attempt to improve such player's skills to enable them to complete play within four (4) hours and thirty (30) minutes. If such efforts do not result in the required completion time, the Club may limit the play of such players to times other than prime playing times. Continued slow play after warning may result in the offending player or players being required to leave the golf course.
9. All players who stop after playing nine holes for any reason must occupy the next tee before the following players arrive at the tee or they will lose their position on the golf course and must get permission from the starter to resume play.

12. Repair all ball marks on the green.
13. Replace all divots or fill the divot with the sand/seed mixture found on the carts.
14. While playing on the course, players must have their own sets of golf clubs.

Golf Course Etiquette

Persons using the golf facilities should do their part to make a round of golf at Eagle Ridge Golf Club a pleasant experience for everyone. Here are some suggestions:

1. Do not waste time. Anticipate the club or clubs you may need and go directly to your ball. Always be near your ball to play promptly when it is your turn. If a player is delayed in making their shot, it would be courteous for such player to indicate to another player to play.
2. The time required to hole out on and around the green is a chief cause of slow play. Study and clear the line of your putt while others are doing the same. Be ready to putt when it is your turn.
3. When approaching a green, park your golf cart on the cart path on the best direct line to the next tee. This can save about one-half hour per round. Never leave the golf cart in front of the green where you will have to go back to get it, while the following players wait for you to get out of the way.
4. When play of a hole is completed, leave the green promptly and proceed to the next tee without delay. Do the scoring for the completed hole while the others in your group are playing from the next tee.
5. If you are not holding your place on the course (see General Golf Rules #7), allow the players behind to play through. Do the same if you stop to search for a lost ball.
6. Repair your ball marks on the greens. If you see unrepaired ball marks repair them also. Remind your playing partners to observe this courtesy.
7. Carefully rake bunkers after use and place rake inside the bunkers.
